**LETTER REQUESTING USE OF COMPUTER READABLE FORM
FROM ANOTHER APPLICATION**

Sir:

In accordance with 37 C.F.R. §1.821(e) regarding submission of a computer readable form of nucleotide and/or amino acid sequence disclosures in a new application which corresponds to the sequence information from another application already on file at the United States Patent and Trademark Office, Applicants request use of the previously filed computer readable form. The Sequence Listing enclosed herewith is identical with that filed on August 28, 1998 in a previous application, Serial No. 08/948,705, which is the parent application of the divisional application filed herewith. In accordance with 37 C.F.R. 1.821(e), please use the last-filed computer readable form filed in application Serial No. 08/948,705as the computer readable form for the instant application. It is understood that the U. S. Patent and Trademark Office will make the necessary change in application number, docket number and filing date for the computer readable form that will be used for the instant application. A paper copy of the Sequence Listing for the instant application is included herewith. Applicants' attorney states that the paper copy filed herewith and the computer readable form filed in application Serial No. 08/948,705 are identical and contain no new matter.
